Shellfish Bulletin No. 01

Series of 2015

05 January 2015

Based on the latest laboratory results of the Bureau of Fisheries and Aquatic Resources (BFAR) and Local Government Units (LGUs), shellfishes collected at the coastal waters of Milagros in Masbate, coastal waters of Bolinao, Anda, Alaminos and Wawa, Bani in Pangasinan and Bataan coastal waters (Mariveles, Limay, Orion, Pilar, Balanga, Orani, Abucay and Samal) are still **positive** for paralytic shellfish poison that is beyond the regulatory limit.

All types of shellfish and *Acetes sp.* or alamang gathered from the area shown above are NOT SAFE for human consumption. Fish, squids, shrimps and crabs are safe for human consumption provided that they are fresh and washed thoroughly, and internal organs such as gills and intestines are removed before cooking.

The following areas continue to be **FREE from toxic red tides**: coastal waters of Cavite, Las Piñas, Parañaque, Navotas and Bulacan in Manila Bay; coastal waters of Sual in Pangasinan; Masinloc Bay in Zambales; coastal waters Mandaon in Masbate; Juag Lagoon in Matnog and Sorsogon Bay in Sorsogon; Honda and Puerto Bays in Puerto Princesa City and Inner Malampaya Sound in Taytay, Palawan; coastal waters of Pilar, President Roxas, Panay, Roxas City, Ivisan and Sapián in Capiz; coastal waters of E.B. Magalona, Pontevedra, Pulupandan, Valladolid, Talisay City, Silay City, Gigantes Islands in Carles, Iloilo coastal waters; Bacolod City, Hinigaran, Cadiz City, Victorias City, Bago City, Binalbagan and San Enrique in Negros Occidental; Maqueda Bay, Villareal Bay, Irong-Irong Bay, Cambatutay Bay and coastal waters of Calbayog City in Western Samar; Matarinao Bay in Eastern Samar; Ormoc, San Pedro, Cancabato and Carigara Bays in Leyte; Biliran waters in Biliran Province; Dumanquillas Bay in Zamboanga del Sur; Murcielagos Bay in Zamboanga del Norte and Misamis Occidental; Hinatuan, Bislig and Lianga Bays in Surigao del Sur; Balite Bay in Mati, Davao Oriental; and Taguines Lagoon in Benoni Mahinog, Camiguin Island.
